On Tap This Week

~ We have a new email address for you to email us beer suggestions. It's cleverly named **beersuggestions@beerbros.ca**. If we end up adding your suggestion to our menu, you'll win a free pint/bottle of that beer every week for a month! See the link on the website.

~ **Beer Bros. Scrabble** continues until the end of April. Lots and lots of winners so far. Make sure you collect your cards, spell out the words, so you can win too!

~ **A Doll's House** opens April 21st at **The Globe Theatre** and runs until May 15th. This is the last full show of this season so if you haven't been yet, time is short to see some terrific entertainment. A quickie 3-day rerun of the hilarious Sexy Laundry goes June 2nd-4th.

~ **Did you know?** Franklin Roosevelt (FDR) was elected in 1932 because of his promise to end Prohibition. (Except in Sask. where we still can't sell our beers offsale)
