## **Beer Matterz**

Follow Beer Connoisseur Matt Braun's observations on all things beer and other on Twitter [@beermatterz@twitter.com](https://twitter.com/beermatterz)

*"That's great, it starts with an earthquake. Birds and snakes, a aeroplane.*

*Lenny Bruce is not afraid. Let's go!*

*It's the end of the world as we know it. And I feel fine." R.E.M.*

Lenny Bruce is not afraid indeed! Neither is the He'brew Brewery, and they show it with the Bittersweet Lenny R.I.P.A. Super bitter with a wonderful balance between the obscene amount of hops and rye malt. One of the best finishes ever for an Imperial Double I.P.A. On Tap Now at Beer Bros.!

## **Local Girl Makes National Rugby Team**

Beer Bros. was pleased to help Notre Dame Hound rugby player Miranda Seifert travel to California with the Canadian Women's National U-20 Team to train and play for our country. As you know, the Beer Bros. themselves played rugby for over 100 combined years, so it was a real privilege to financially assist Miranda. She was kind enough to send us some updates on her experience down south and we've got them posted on our Website ([www.beerbros.ca](http://www.beerbros.ca)) under the Newsletter Page.  
Congratulations to Miranda!

*Did I mention that the Deli is now  
OPEN?! You can earn Royalty  
Rewards points there too!*

## Greg for 'Rider G.M.

Ok, I realize that the 'Riders haven't exactly fired Brendan Taman yet. But's let's not fool ourselves, he has to go. And he's got to take Doug Berry with him. Great people for sure, but this is Riderville and we get passionate. The worst part about losing to the 'Stamps last night was the four Calgarians sitting in the Beer Bar cheering for the bad guys. Again, nice folks but it was painful having to listen to them gloat. So get your fingers limbered up and email Jim Hopson that his next GM is hanging out at Beer Bros.!

Disclaimer... No genuine animosity toward Mr. Taman is intended.

Me and 100,000 other armchair quarterbacks, coaches, & GMs out there just want a winning 'Rider team.

## We're Still looking for Charitable Inspiration

Beer Bros. is proud of our community involvement. That being so, Darren and I had an idea. What if we did something wild, different, and moderately dangerous in 2012 to raise money for charity?

C'mon loyal Beer Bros. patrons, tell us what YOU want to see us do.

Here's our options.

1. Climb Kilimanjaro. Sure lots of people seem to be doing it these days, but we're still talking about hauling our old, rugby-abused bodies up 22,000ft into thin atmosphere.
2. Paddle the Yukon River Quest. Race a canoe 740km through the wilds of the frigid Canadian north in 72 hours or less . Wind, sleet, icy waters, what's not to love?
3. Get on an episode of OLN's ManTracker TV show. Playing the fugitives shouldn't be a stretch while we race on foot vs. a skilled bounty hunter on horseback to beat him to a pre-ordained location before he captures our sorry butts.

Email your choice to [info@beerbros.ca](mailto:info@beerbros.ca) and we'll tally the votes and hit the gym.

**Every Royalty Reward Member who responds gets 25 Bonus Points!**

**Let's try to raise \$50,000 for a local charity!!**
