

Green is the colour of our Birthday!!

**St. Patrick's Day marks TWO YEARS
for Beer Bros. Bakery & Cuisine!**

(That's Wednesday March 17th for those of you who spend too much time at their desks)

And Thank You for those great two years!

**Join us on Wednesday as we celebrate in style, 'cus the next
year is going to be even better!**

On Tap This Week

~ Remarkably, St. Patrick's day really doesn't have anything to do with beer! St. Patrick was a Catholic priest who preached Christianity in Ireland in the 5th century A.D. Considered one of the patron Saints of Ireland, he is said to have used the shamrock as an example of the holy trinity.

~ Even more strange is that the colour originally associated with St. Patrick's Day was **blue**. But we promise not to ruin any fine beer by dying it **green!**

~ Wednesday is the launch of **Beer Bros. Scrabble!** Be here to find out how you can win. Or check www.beerbros.ca

~ We've got an amazing offer available starting this week! Since it's our birthday, we're going offer \$1,200 in Beer Bros. Gift Certificates for only \$990! That's **over \$200 savings!** Give them as gifts to staff or family, use them yourself, throw a big party, whatever you want! Ask your server or visit the website for more details. Who else gives such a deal on their own birthday?! Nobody but Beer Bros.!

~ Beer Bros. WINS! Thank you for coming out for the Soup Duel last Thursday in support of the Z99 Radiothon. We sold nearly 400 bowls of soup and the proceeds will all go to the Regina Neo-Natal Intensive Care Unit. And oh yeah... Beer Bros. beat The Willow on Wascana by 22 bowls. The best soup rules!

~ *The Syringa Tree* starts Wednesday night. This moving one-actress show at The Globe Theatre is set in apartheid South Africa and is a must see. Come in for a brilliant dinner using the African themes before you take in the play. Cheers!

~ I just got another update from Wayne re the GreyWater Project. Things are going well at the University and we're on track to get a system installed soon hopefully. This project will result in enormous water conservation at Beer Bros. which is good for the environment and our business. If you'd like more info, I've posted his update on the website under Newsletters.

~ On a final note. With your generous help we raised nearly \$400 for the Canadian Red Cross for Haitian Relief. Thank you!
