

This morning the sky is blue, the air is crisp , & the birds are singing. That must mean that...

**Today is the Day that we launch the new SUMMER MENU!!!**

He's big, he's bold, he's bald and so are the great summer dishes that Chef Malcolm has for you. Well, not bald maybe...

You can check out the menu online or just come down to look it over with a beer in hand. It's gonna be a bright sun-shiny day!!

### *On Tap This Week*

~ We gave a sneak peek of a new menu item down at Taste of Spring last weekend. Thanks to all who came by to sample the Maple Pork Belly and gave such wonderful feedback.

~ Globe Theatre is bringing back the very popular *Sexy Laundry* for a brief encore in early June. Check [www.globetheatrelive.com](http://www.globetheatrelive.com) for show times. We'll be running a special menu for the show, so book your reservation!

~ You may have noticed our little demolition project on the Scarth St. mall. We've removed two flower planters and expanded our patio to get ready for summer weather. Be patient. We'll let you know as soon as the renovation is complete. We're looking forward to a super summer sipping soothingly cool beers, and eating fantastic, fresh food. Cheers!

(Guess who just learned the concept of alliteration?)
