Beer Matterz

Follow Beer Connoisseur Matt Braun's observations on all things beer and other on Twitter [@beermatterz@twitter.com](https://twitter.com/beermatterz)

Have you ever visited Beer Bros., and ordered a draught beer only to be told "Sorry, we're out of that." Was it mildly frustrating? Yeah we know.

So here's what we did to fix that.

You'll notice a huge chalk board on the west wall of the Lounge. On it we'll post the draught beers that we feature for short runs. We're bringing in more unique beers in smaller batches just so you can enjoy them.

Also, we'll post the regular draught beers that we're temporarily out of. We can't help it sometimes since the ordering chain is out of our control, but we do our best. Check it out when you're in and tell us what you think.

Over 2,000 guests have already joined Beer Bros. Royalty Rewards!

Have you?

We're almost the only restaurant in Saskatchewan that rewards you for visiting us.

(Guess which is the other one. Give you a hint; it's in Wascana Park, it ours too, and it rhymes with 'pillow')

Big Kudo's to Beer Steward Jeremy Barber

Jer & his partner are finalists for the prestigious Intercollegiate Business Competition hosted by Queens University! We can't understand their project, but we're still impressed as hell.

Jer comes off as laid back and casual, but he's winning smarty-pants competitions and has a hot girlfriend.

Proof that brains matter boys!

Introducing...

Beer Bros. GastroPub & Deli!!

New Name, Same Great Restaurant

We've been thinking for some time that our name should better reflect what we do here. We still bake all our own bread... And you can still buy it in the Deli. The Food & Beer are still tops in the city!
