**Pizza Day Today at Beer Bros.**

**October 27th, 2010**

Order a delicious Beer Bros. gourmet thin-crust pizza today! Today only we've added three pizzas to our menu! The new menu added Tandoori Chicken, and Spicy Pilsner Shrimp to the Capicola Ham & Tomato, and fan favourite Blue Cheese & Mushroom. But today we'll also bring back hall-of-fame pizzas from past menus. The Grilled Vegetable, Sweet Chili Chicken, and BBQ Pulled Pork pizzas all make an encore! We will not have Frites today, so consider a hot pizza on a cold day.

**I goofed our own phone number!**

For all those of you who have tried calling Beer Bros. to make reservations for the Brewer's dinner, I apologize. And to the kind lady who has been fielding all the wrong number calls, I really apologize! Our phone number is 586-2337.

**Closed for Halloween**

Beer Bros. will be closed Sunday, October 31st so that Darren and Greg can take their kids trick-or-treating. Hopefully the weather will be much better! Sorry if this causes any inconvenience for you. Cheers!

If you have any questions or concerns please contact us at 586-2337 or info@beerbros.ca
