

Parking Sucks

We know that it has been a little difficult to drive around Downtown lately, with 12th Avenue closed off, and the change to two-way streets. So we're doing something to make you feel a little better about it.

Come in before the end of September and we'll give you a **FREE \$10 GIFT CARD!** Then bring it back between Oct. 1st & Oct. 19th to redeem your **FREE GIFT.**

We think all the changes going on are bringing an dynamic new vibe to Downtown! It's exciting to watch it happen, and I can't wait to see the Downtown Revitalization Plan come to fruition. Cheers!
