

Exclusively for Beer Bros. Guests!

Thursday at 4pm (that's today) we open the tap on Half Pint's Oktoberfest Lager.

You will not find this magnificent beer anywhere else in Saskatchewan. Brewed in the spring and then held in long, cold storage this Marzen style shows a light caramel, slightly toasty, & mildly hoppiness burst of deliciousness!

But that's not all!!

Another Beer Bros. exclusive is available at 4pm tomorrow (Friday)!!

Humulus Ludicrous is back!!

We sold out our only Keg last year in ONE DAY! This year we have FOUR kegs to slake your thirst for one of the finest Double IPA's you'll ever taste!

Exclusively at Beer Bros.!

Speaking of Half Pints...

There are 7 seats left for the Brewer's Dinner on Saturday. Don't be left out. Call now.
