

Share Your Beer!!

(The Rules)

**OK, there aren't any really but...
Winners will be chosen from suggestions
that fit the following criteria.**

- 1) We need accurate name, brewer, location information. No wild goose chases.**
- 2) We need your email address and name.**
- 3) It has to be high quality beer. Period. That should be obvious.**
- 4) Small breweries/ microbreweries preferred over big commercial beers.**
- 5) We have to be able to get it through a distributor. It may be terrific beer but if we can't get it, then knowing about it is just a tease.**
- 6) We have to get it at a price that allows us to sell it reasonably. This is harder than you think and we miss out on beers we want because the price isn't workable.**
- 7) We have to like it too! Yep, maybe it's not fair but if we don't like it, we won't buy it!**
- 8) Please don't let your feelings be hurt if we don't choose your beer. We already carry more varieties than anyone else and there's only so much room in the cooler.**
- 9) Please don't pepper us with every beer you've ever tried. Be selective and throw the best ones our way.**
- 10) We'll pick beers on an "as-need" basis so it won't necessarily be every month. It might be, it might not.**
