

## Canada Day !!

In addition to being down at Wascana Lake for the Plywood Cup, we'll be having extended hours at Beer Bros.

Today - Open Weekend hours - Kitchen open until Midnight

Canada Day - Open all day - Kitchen open until Midnight - Beer Bar 1am.

Beer Bros. will be closed Sunday, July 4th for "staff meetings" Sorry

~ Canada Day and the Plywood Cup are tomorrow! Beer Bros. is again the official Food & Beverage sponsor for the Cup and we'll be whooping it up in Wascana Park!

While you're in the park taking in the events make sure you stop by for great food and refreshment!

~ The Beer Bros. kitchen is now open later. We'll have hot and delicious Beer Cuisine available until 11pm Monday to Wednesday and until 12am Thursday, Friday, Saturday!

~ They're celebrating July 1st a little differently in Asia. Tomorrow marks the start of the Summer of Harbin Beer Festival, in Harbin, China. If you're in the neighborhood...

~ **'Rider season is here!!** We're going to be giving away 'Rider tickets throughout the summer at Beer Bros. starting tomorrow!! Here's how you can win. Be at Beer Bros. and order the RIDER WING SPECIAL - Jalapeño Wings & a pint of homegrown Great Western Pilsner - and you can fill in a ballot. We'll make the draw and you and two friends could be going to the game!!

~ We'll be doing this all season long! Be at Beer Bros. on Saturday, July 10th, order the RIDER WING SPECIAL, fill in your ballot, and you could win tickets to the home game vs. Edmonton on July 17th.

~ Early reviews are... the Rail Ale Nut-brown is fantastic beer! We launched this Beer Bros. exclusive last week and my guess is that all six kegs are going to disappear fast! Don't miss your chance to sample this smooth and satisfying beer.

~ In all, we brought in ELEVEN new beers over the past two weeks. Our poor staff just have to suffer through all the tasting seminars to get familiar with the new beers. It's a tough gig and I'm sure you're sympathetic. Of course, we'll do the same for you too!

## ***Someone's taking home a 3-D Big Screen TV !!!***

World Cup of Soccer is in full swing at Beer Bros.!

We've installed four new TV's in the Beer Bar so you can watch all the action in style.

The Quarter Finals are this weekend, with the Semi's set for Tuesday and Wednesday next week. We'll have them all on the Tubes and Visions will have them for us in 3-D.

Get a Kick-back Gift Card and you have a chance to take home the 55" 3D TV thanks to Visions at the Final Game on July 11th!!

**Soccer & Beer = natural pairing.**

### **Gold Medal Plates Competition**

Our own Chef Malcolm Craig has been selected to compete for the Golden Plate!

This auspicious national event raises money for the Canada's athletes to advance their goals of winning Olympic Gold.

Chef Tim Davies of The Willow on Wascana was also selected to compete.

Congratulations and Good Luck!  
We're proud of both of you.
